OUR FOCUS

At Summit Academy we help our children prepare for the future. We do this through play and a strong academic program. Our program focuses on the whole child by providing opportunities for social, emotional and academic development such as:

- Cognitive Skills-When a child thinks, processes and analyzes
- Language Skills-Words, gestures or spoken sounds to represent objects and ideas.
- Self Help Skills-Teaching children to be responsible for themselves and the environment.
- Fine Motor-Cutting, painting, coloring, and writing.
- Gross Motor-Playing, Climbing, and running
- Cooperative Play-Respecting others, problem solving and sharing.
