School Supplies

With so many wonderful sales taking place, we wanted to let you know some basic supplies that all students will need to be successful at the start of the school year:

- All students need a notebook for each of their 6 classes, including online courses.
- #2 pencils. Mechanical pencils typically work best; however, class rooms are equipped with pencil sharpeners.
- An accordion style folder or other binder to help keep your student organized.
- Ink pens
- Highlighters
- Index cards

All 9th grade students will also need to have one "red" 1 inch binder and one "blue" 1 inch binder.

ACADEMIC BOOSTERS NEEDS YOU!

- This year Summit Academy North Middle School and High School look forward to continuing our "Academic Booster Club". This is a group that continues to develop and we welcome your support and input.

If you would like to participate in our fall organizational meeting, please email Mrs. Avery at eavery@summit-academy.com Please use the subject heading "Academic Boosters". Goals for this club will continue to focus on celebrating student success, some fundraising activities and also a continued focus on family and school collaboration and communication to support and celebrate our students!
